54. Are audit committees required to have charters? What disclosures about the charter are required?	55
55. What disclosure about audit committee oversight of the auditor is required?	55

L. Audit Committees - Financial Experts 56

56. What is an “audit committee financial expert”?
Do SEC rules require companies to have one or more
of them?..... 56

57. Does an audit committee financial expert need to
be independent?..... 57

58. In order to qualify as a financial expert, does a
person need to have audit experience?..... 57

59. Do audit committee members that meet Exchange
requirements for financial sophistication or expertise
qualify as financial experts under SEC rules? 58

60. Does a company with more than one audit
committee financial expert have to disclose the names
of each one?..... 58

M. Audit Committees - Financial Literacy 59

61. What does it mean to be “financially literate”?
What’s the source of the requirement that audit
committee members be financially literate? 59

62. Who is required to make that determination? ... 60

63. Does the literacy requirement need to be laid out
in the charter?..... 61

64. What kind of disclosure do companies have to
make about financial literacy? 61

65. If an audit committee member is financially literate, does that mean the director is also a financial expert?	61
N. Auditor Engagement.....	62
66. What role does the audit committee play in the engagement - and oversight - of outside auditors?	62
67. Can management hire the auditors and simply ask the audit committee to ratify the appointment?	62
68. Are there SEC rules governing what's required in an audit firm engagement letter?.....	63
69. Are companies required to obtain shareholder approval for the audit committee's decision to hire an auditor?.....	63
70. If shareholders vote against ratification, must the audit committee choose a different auditor?	65
O. Audit Committees - Pre-Approval	66
71. What are the requirements applicable to audit committee pre-approval of non-audit services by the independent auditor?	66
72. What methods of pre-approval are permitted? ..	66
73. Do most companies adopt formal pre-approval policies?.....	67
74. Can authority to pre-approve non-audit services be delegated?	68

75. Are there limitations on the types of non-audit services that an auditor can provide?	68
P. Change in Auditors	70
76. How often do companies typically change their outside auditors?.....	70
77. What reporting requirements are there when a change is made?	70
78. Who makes the decision to change auditors?....	73
79. How do investors typically react to a decision to change auditors?.....	74

81. What requires audit committees to implement whistleblower procedures?.....	75
82. What's the scope of the audit committee's responsibility? Can it delegate authority to administer the program?.....	76
83. Does every complaint need to be reported to the audit committee?	78
84. Must the whistleblower procedures cover matters beyond accounting matters?.....	78

85. Should whistleblower procedures be publicly disclosed? Do all whistleblower complaints have to be handled confidentially?	79
R. Proxy Season - Basics	80
86. What is the “proxy season”?.....	80
87. What is the timeline of it?	80
88. Who are all the players?	82
89. How has the proxy season changed over the years?.....	83
90. What can you do for stress relief?	84
S. Annual Meetings - Basics	85
91. Is a company required to hold an annual meeting?	85
92. What are the rules governing the conduct of an annual meeting?	85
93. What’s the difference between an annual meeting and a special meeting?	86
94. Who has the right to attend an annual meeting?.....	87
95. What matters must be addressed at an annual meeting?	87
T. Annual Meetings - Preparation	88
96. Who determines the agenda?.....	88

97. What preparations should be made for an annual meeting? Are they different if you've received a shareholder proposal?.....	89
98. Who should be involved in preparing for the meeting?	90
99. What should a script for the meeting address? How is it prepared?	91
100. Who should attend the meeting?	93
U. Annual Meetings - Admission Requirements.....	94
101. Why do some companies require shareholders to register & obtain admission tickets for annual meetings?.....	94
102. What best practices should companies follow if they want to impose admission requirements?	94
103. Are there specific proxy disclosure requirements that you have to follow?.....	95
104. Do you have to enforce your admission procedures?.....	96
105. Can you exclude a shareholder who doesn't comply from the meeting?	96
V. Annual Meetings – Conduct of the Meeting.....	98
106. Is a company allowed to establish rules for conducting the annual meeting that aren't in its bylaws?.....	98
107. Do "Robert's Rules of Order" apply?	98

108.	Is there a typical format for these meetings?..	99
109.	Who participates in an annual meeting?	100
110.	How should shareholder proposals from the floor be handled?.....	101
W. Annual Meetings - Handling the Media.....		101
111.	Does the media have the right to attend a shareholders meeting?	101
112.	What considerations go into a decision about whether to invite the media to the meeting?	102
113.	What preparations should be made if the media is going to be invited?	102
114.	If members of the media are in attendance, do they have the right to ask questions?	104
115.	If you invite the media, can you still ban recording devices? Do you still have to worry about Reg FD?.....	104
X. Annual Meetings - Minutes.....		104
116.	Since you report voting results on a Form 8-K anyway, why are minutes necessary?	104
117.	How detailed should the minutes be?.....	105
118.	What matters should be addressed in the minutes?	105
119.	Should the board approve minutes of the annual meeting?	106

120. Should the minutes of the previous year’s meeting be read at the annual meeting? 106

Y. Annual Meetings - Postponement or Adjournment 107

121. Why would a company want to delay an annual meeting? 107

122. Who has the authority to postpone or adjourn a meeting? 107

123. What’s the difference between postponement, adjournment & a recess? 108

124. What should companies consider before deciding to delay a shareholder meeting? 109

125. Does a decision to delay a meeting result in lawsuits? What are the legal issues that can arise? .. 110

Z. Proxy Advisors - Basics 111

126. Who are the major players?..... 111

127. How influential are they? 111

128. How do they solicit input on policies? 112

129. What information about their policies is publicly available? 113

130. Can you “engage” with proxy advisors? 114

AA. Proxy Advisors – Reports & Recommendations 116

131. Do proxy advisors provide companies with a draft of their voting reports? 116

132.	Can companies correct information in those reports?.....	117
133.	Can companies share those reports with their own advisors?.....	117
134.	How often do proxy advisors side with shareholder proposal proponents?.....	117
135.	What factors can lead to an “against/withhold” recommendation on a director?.....	118
BB.	Proxy Access.....	119
136.	Why do shareholders want companies to adopt “proxy access” bylaws?.....	119
137.	How common are proxy access bylaws?.....	119
138.	Have the terms of these bylaws become standardized?.....	120
139.	If a company has a proxy access bylaw, is that typically the only way for a shareholder to nominate a director?.....	121
140.	What are “fix it” proposals - and how has the SEC responded to company requests to exclude them?	122
CC.	Proxy Contests	124
141.	What’s the SEC Staff’s role in a proxy contest?	124
142.	What communications have to be filed with the SEC?	124

143.	What’s a “fight letter”?.....	125
144.	When do the proxy advisors get involved? ..	126
145.	Do most proxy contests seek to replace the entire board?	127
DD.	Shareholder Proposals	128
146.	What is a “shareholder proposal”? What rights do shareholders have to include proposals in a company’s proxy statement?.....	128
147.	How often do companies receive shareholder proposals?.....	129
148.	How do companies - and proponents - interact on a proposal?.....	129
149.	On what basis can a company exclude a proposal?	130
150.	What’s the SEC Staff’s role in the process?	132
EE.	Shareholder Activism.....	133
151.	Who are the activists - and what are their objectives?.....	133
152.	What makes a company an activist target? ..	134
153.	How should a company respond to an overture from an activist?.....	135
154.	How do institutional investors respond to activists?	136
155.	Are antitakeover devices useful in dealing with an activist?.....	137

FF. Exchange Act Reports – Basics	138
156. What is a proxy statement?	138
157. What is a 10-K (and glossy annual report)?.	139
158. What is a 10-Q?	140
159. What is an 8-K?	140
160. How do you figure out what belongs in them? What are Regulations S-K & S-X and how do they relate to the form?	141
GG. SEC Filings - Basics.....	143
161. What is “Edgar”?	143
162. What are the deadlines for SEC filings?	143
163. Who makes the filing?.....	145
164. What can I do if there is a mistake in making a filing?	145
165. What if I have to amend a filing?	145
HH. Exchange Act Filing Deadlines.....	147
166. How do you determine whether a day is a “business day”? Does it depend on whether the markets are open?.....	147
167. When does the “4-business day” clock start running for a Form 8-K filing?	148
168. Are all 8-Ks due within 4 business days?	149
169. Can you get an extension of the due date for an SEC filing?	150

170. The SEC’s “Edgar” accepts filings until 10 pm Eastern. So long as I file a report that’s due on a particular date by then, is that timely? 150

II. Accelerated v. Non-Accelerated Filer Status..... 151

171. What are the “categories” of filers? 151

172. What are the filing deadlines for each category of filers?..... 151

173. When - and how - do you determine what category you’re in?..... 152

174. When will a change in your filer status become effective? 152

175. Can you be both a smaller reporting company and an accelerated filer?..... 153

JJ. CEO & CFO Certifications..... 154

176. Where do the CEO & CFO certification requirements come from?..... 154

177. Why are there two separate types of certifications? Can they be combined into a single form? 156

178. Are the certifications required to be filed with every SEC filing? 156

179. What happens if a CEO or CFO resigns - or is terminated? Who signs the certifications? 157

180. What are the consequences if your filing doesn’t include the required certifications? 158

KK. 8-K Exhibits.....	159
181. Are exhibits required to be filed with a Form 8-K?	159
182. How do you know what exhibits need to accompany a filing?	159
183. How do you determine if a contract is “material”?	160
184. If you file an exhibit once, do you need to keep incorporating it in future filings?	160
185. Can you omit schedules and exhibits to an acquisition agreement from the agreement that you file?	160
LL. Reporting Director & Executive Officer Transitions	161
186. When is a company required to file a Form 8-K in connection with the departure of a director or an executive officer?	161
187. What information is required to be contained in that 8-K?	162
188. What is the triggering date for an 8-K relating to the retirement of an executive officer or director?	163
189. Will the appointment of a new director or executive officer require an 8-K?	163

190.	What information is required in an 8-K reporting a new director or executive officer?.....	164
MM.	Reporting Acquisitions & Divestitures.....	165
191.	When are companies required to file a Form 8-K for an acquisition?	165
192.	Will more than one 8-K filing be required for an acquisition?.....	165
193.	What triggers an obligation to file acquired company financial statements and pro formas?.....	165
194.	Does the timing of the financial statement requirement depend on whether or not you're also doing a public offering of securities?.....	166
195.	What financial information must you file for a divestiture?	167
NN.	SEC Comment Letters - Basics	168
196.	How often are a company's filings with the SEC reviewed by the SEC Staff?.....	168
197.	What is the Division of Corporation Finance (aka "Corp Fin")?	168
198.	How quickly will a company be required to respond to the Corp Fin Staff's comments? Can you get an extension?	169
199.	What should you do if you don't understand or disagree with a comment?.....	169
200.	How should you format a response letter? ...	170

201.	Who is typically responsible for responding to Corp Fin Staff comments?	171
OO.	SEC Comment Letters – Timing.....	172
202.	How do you know if your Form 10-K or proxy statement is likely to be reviewed?	172
203.	Are there different levels of review that the Corp Fin Staff can undertake?	172
204.	How long will it take for the SEC Staff to issue an initial comment letter?.....	173
205.	How many amendments does it typically take to clear SEC Staff review?	173
206.	Do you have to satisfy the SEC Staff’s comments before you can move forward with any deal you have pending?.....	174
PP.	Rule 10b5-1 Plans.....	176
207.	What are the benefits of a Rule 10b5-1 trading plan?	176
208.	Do companies adopt these plans as well as insiders?.....	177
209.	When is the best time to adopt a 10b5-1 plan?	177
210.	Should the adoption of a 10b5-1 plan by a company or senior executive be disclosed?	177
211.	What are the downsides of a 10b5-1 plan? ..	178
QQ.	Stock Buybacks	180

212.	Why do companies repurchase their own stock?	180
213.	What alternatives are available for stock repurchases?	181
214.	Why do companies often structure buybacks to comply with Rule 10b-18?	183
215.	What are the potential downsides of a stock repurchase?	183
216.	What disclosures are required in connection with a stock repurchase?	184
