

FAQs for Webcast CLE Credit

To earn CLE credit for our webcast on 12/08/20, please read these FAQs carefully:

1. **Is CLE Credit available for attending the Webcast?**

Yes, we are offering credit in the following 10 states – CA, FL, IL, NC, NJ, NY, PA, TX, VA, WA

2. **Can I earn CLE credit for watching the archive of the Webcast?**

Not likely. We have filed for "live credits." Many state bars require watching the webcast live and not by archive. Please check with your individual state bar to determine whether they will accept viewing the archived version as "self-study" and if you can "self report."

3. **What are the "prompts/polls" that pop-up during the Webcast?**

To comply with certain state bar requirements, attendees who are licensed in states where this webcast is accredited and want to earn CLE credit will need to enter "code words" based on periodic prompts (i.e., about every 15-20 minutes) to attest that they were present throughout the webcast. The periodic prompts - in the form of a "chat box" link will be available for you to enter in the CLE codes, your first and last name and email address. Our system records whether you entered the code words throughout the webcast. We will provide this information to the state bar, which they will use to verify attorney attendance and the length of time attended.

4. **Can I view the Webcast from a conference room and still earn CLE?**

We recommend attending from a computer so that appropriate time is captured for each individual; however, we can accommodate groups through the use of attestations and a monitor affidavit.

5. **How will I be able to sign in for CLE credit if I watch the Webcast from my own computer?**

When you register for and attend the webcast, you will need to enter your name and the time you attend and exit the webcast. The answers to these prompts will be tracked and sent to our CLE provider. At that time our provider will calculate your time attended. You only need to register and follow all the prompts while attending each session.

6. **How do I receive a CLE certificate?**

You will receive an email following the webcast with a link. Please complete the link with your state license information. Our CLE provider will process CLE credits to your state bar and also send a CLE certificate to your attention within 30 days of the webcast.

7. **What should I do if the state I seek credit for is listed in your list as "pending"?**

If you seek CLE credit for one of the few states where our application is pending, we will send a CLE certificate when approved by that state.
