**"Proxy Disclosure Conference"**  
**&**  
**"17th Annual Executive Compensation Conference"**

---

**September 22–23, 2020—Washington, D.C.  
and via Live Nationwide Video Webcast**

---

Proxy disclosures—particularly pay disclosures—continue to draw intense scrutiny from Congress, the SEC Staff, investors, other stakeholders and the media. This pair of full-day conferences will provide the latest essential—and practical—guidance on what compensation committees should be doing now, the best approaches to disclosure and pitfalls to avoid.

**Special Early Bird Rate:** As a "thank you" to members, we are offering a special discounted rate if you register by May 1st. After the early bird discount expires, conference registration will be full-priced — you pay more if you wait to register!

An archive of the entire video for both conferences will be right there at your desktop to refer back to— and refresh your memory when you are actually grappling with the executive pay process and all of the related disclosures.

**Who Should Attend:** Every person responsible for preparing and reviewing compensation disclosures—and every person responsible for implementing executive and equity compensation plans or who counsels or advises boards—including executive pay and benefits managers, other HR team members, corporate secretaries, outside counsel, accountants and consultants.

**Where:** You have two choices: you can attend the conferences at the Washington Hilton or via Nationwide Live Video Webcast to desktops, boardrooms and conference rooms. [If you plan to attend in Washington, D.C., make your reservations for the Washington Hilton as soon as possible online or call (202) 483-3000. Be sure to mention the NASPP Conference to receive reduced rates.]

**Do not delay. Hold your place. Register today!**
